

CURRICULUM VITAE

Dr. Cécile Schain, Dipl.-Psych.

EMPLOYMENT HISTORY

- since 05/2013** Coach, consultant and lecturer,
co-owner of schainundkuchenbrandt GbR
- 04/2014 – 03/2023** Psychologist in the psychological service
of the Federal Employment Agency
- 10/2010 – 12/2013** Research and teaching fellow, Department of Psychology,
University of Münster, Germany
- 07/2007 – 09/2010** Research assistant, Department of Experimental Psychology,
University of Düsseldorf, Germany
- 09/2008 – 12/2008** Research internship, Department of Psychology, Ryerson University,
Toronto, Canada

QUALIFICATIONS

- 10/2017 – 07/2019** Advanced education: Psychological counseling, Curriculum of the
Berufsverband Deutscher Psychologinnen und Psychologen (BDP)

- 09/2013 – 01/2016** Advanced education: Management consulting & coaching
(German Academy of Psychology)
- 10/2013** PhD in Psychology (with honours), University of Münster, Germany
- 10/2005 – 09/2010** Undergraduate and graduate studies in Psychology, diploma,
University of Düsseldorf, Germany

TEACHING

- 2010 – 2013** Supervision of bachelor, master, and diploma theses as well
as research internships
- Summer term 2013** The social brain (seminar, BSc Psychology, University of Münster)
- winter term 2012/13** Social cognition (practical seminar, BSc Psychology,
University of Münster)
- winter term 2011/12** Statistics (practical seminar, BSc Psychology, University of Münster)
- winter term 2010/11** Statistics (practical seminar, BSc Psychology, University of Münster)

PUBLICATION RECORD

Journal articles (Peer-Reviewed)

1. Lindner, I., Schain, C. & Echterhoff, G. (2016). Other-self confusions in action memory: The role of motor processes. *Cognition*, 149, 67-76.
2. Bell, R., Schain, C. & Echterhoff, G. (2014). How selfish is memory for cheaters? Evidence for moral and egoistic biases. *Cognition*, 132, 437-442.
3. Spaniol, J., Schain, C. & Bowen, H. J. (2014). Reward-enhanced memory in younger and older adults. *The Journals of Gerontology: Psychological Sciences*, 69, 730-740.
4. Hoenen, M., Schain, C. & Pause, B. M. (2013). Down-modulation of mu-activity through empathisch top-down processes. *Social Neuroscience*, 8, 515-524.
5. Schain, C., Lindner, I., Beck, F. & Echterhoff, G. (2012). Looking at the actor's face: Identity cues

- and attentional focus in false memories of action performance from observation. *Journal of Experimental Social Psychology*, 48, 1201-1204.
6. Lindner, I., Schain, C., Kopietz, R. & Echterhoff, G. (2012). When do we confuse self and other in action memory? Reduced false memories of self-performance after observing actions by an out-group versus in-group actor. *Frontiers in Psychology*, 3, 467.
 7. Bell, R., Buchner, A., Erdfelder, E., Giang, T., Schain, C. & Riether, N. (2012). How specific is source memory for faces of cheaters? Evidence for categorical emotional tagging. *Journal of Experimental Psychology: Learning, Memory, and Cognition*, 38, 457-472.

Scientific contributions – conferences and workshops

Presentations

1. Lindner, I., **Schain, C.**, Kopietz, R. & Echterhoff, G. (2013, Juni). Observation deflation: Reduced false memories of self-performance after observing actions by an out-group versus ingroup actor. 10. Konferenz der Society for Applied Research in Memory and Cognition (SAR-MAC), Rotterdam, Niederlanden.
2. **Schain, C.**, Echterhoff, G. & Lindner, I. (2013, März). Can your indecent acts become mine? False memories of self-performance from observing others' negative actions. 55. Tagung für experimentell arbeitende Psychologen (TeaP), Wien, Österreich.
3. **Schain, C.**, Lindner, I. & Echterhoff, G. (2012, September). Did I actually do this? Mechanisms underlying false memories of action performance from observation. 48. Kongress der Deutschen Gesellschaft für Psychologie (DGPs), Bielefeld, Deutschland.
4. Lindner, I., Kopietz, R., **Schain, C.** & Echterhoff, G. (2012, September). Observation deflation: Fewer false memories of self-performance after observing actions by an out-group versus in-group actor. 48. Kongress der Deutschen Gesellschaft für Psychologie (DGPs), Bielefeld, Deutschland.
5. **Schain, C.**, Lindner, I. & Echterhoff, G. (2012, September). Did I actually do this? Mechanisms underlying false memories of action performance from observation. 14. Social Cognition Network Transfer of Knowledge Conference (ESCON), Estoril, Portugal.
6. **Schain, C.**, Lindner, I. & Echterhoff, G. (2012, Juni). Deine Handlungen werden zu meinen. Falsche Erinnerungen an Alltagshandlungen durch Beobachtung. 1. Doktoranden-Workshop der Allgemeinen Psychologie, Würzburg, Deutschland.

7. **Schain, C.**, Echterhoff, G. & Lindner, I. (2012, April). Did I do this before? Mechanisms underlying false memories of action performance from observation. 54. Tagung für experimentell arbeitende Psychologen (TeaP), Mannheim, Deutschland.
8. **Schain, C.**, Echterhoff, G., Lindner, I. & Davidson, P. (2011, September). Observation inflation: The inadvertent formation of shared action memory. 13. Tagung der Fachgruppe Sozialpsychologie der Deutschen Gesellschaft für Psychologie (FGSP), Hamburg, Deutschland.
9. Bell, R., Buchner, A., Erdfelder, E., **Schain, C.** & Riether, N. (2010, September). Wie spezifisch ist das Quellengedächtnis für Betrüger? 48. Kongress der Deutschen Gesellschaft für Psychologie (DGPs), Bremen, Deutschland.

Invited talks

1. **Schain, C.** (2011, Juli). Falsche Erinnerungen durch Handlungsbeobachtung. Institut für Experimentelle Psychologie, Heinrich-Heine-Universität Düsseldorf.

Poster presentations

1. Hoenen, M., **Schain, C.** & Pause, B. M. (2012, September). Perspektivenübernahme als Modulator motorsimulativer Prozesse. 48. Kongress der Deutschen Gesellschaft für Psychologie (DGPs), Bielefeld, Deutschland.
2. Hoenen, M., **Schain, C.** & Pause, B. M. (2012, Juni). Mu-Suppression als Korrelat empathischer Prozesse. 38. Kongress der Deutschen Gesellschaft für Psychophysiologie und ihre Anwendung (DGPA), Jena, Deutschland.
3. Spaniol, J., **Schain, C.** & Bowen, H. J. (2009, September). Effects of reward anticipation on recognition memory in younger and older adults. 16. Konferenz der European Society for Cognitive Psychology (ESCOP), Krakau, Polen.
